— DEPARTMENT OF —
REVENUE
STATE OF MISSISSIPPI

The fundamental mission of the Mississippi Department of Revenue is to be the mechanism through which the citizens of the State of Mississippi fund their public services.

Our goal is to efficiently and effectively accomplish this mission with integrity, while demonstrating courtesy toward those we serve.

The Department of Revenue (DOR) collects the tax revenues that support state and local services relied upon by the people of Mississippi. The work of this agency affects every citizen of this state, whether filing an Individual Income tax return, paying Sales Tax on purchases, or owning a titled vehicle. During Fiscal Year 2013, revenue-generating activities resulted in collections of \$7.24 billion. These monies were transferred to the State's General Fund, municipal and county governments, and numerous special funds that support government services.

The Department of Revenue has six core responsibilities including:

1. Tax administration
2. Compliance enforcement
3. Wholesale distribution of alcoholic beverages
4. Enforcement of the Local Option and Prohibition Laws
5. Equitable statewide property appraisal
6. Administration of Motor Vehicle and Title Laws

- 1. Tax Administration** includes functions such as processing tax returns, depositing money in the bank, issuing tax refunds, and distributing tax payments to the state's general fund, cities, counties and special funds. Tax administration also includes issuance of permits and other regulatory duties. The DOR manages return and payment information for more than 1.5 million taxpayers.

- 2. Compliance Enforcement.** Most of Mississippi's taxpayers file and pay their taxes correctly and on time. In fairness to them, the DOR performs audits and collects unpaid taxes from those persons and businesses who do not comply with the tax laws.
- 3. Wholesale Distribution of Alcoholic Beverages.** ABC liquor distribution transferred a record amount of revenue to the State Treasury during FY 13. Sales increased by 7.2% over the prior year reaching a record \$282 million. Those sales generated more than \$99.9 million in sales tax, liquor tax, and profit transfers to the state treasury. Since 1966, when Mississippi passed its local option laws, the ABC has contributed over \$2.3 billion to the state's coffers.
- 4. Enforcement of Local Option and Prohibition Laws.** Mississippi code requires the "vigorous enforcement" of the Local Option and Prohibition laws. While agents find an occasional moonshine still, today a primary focus for ABC Enforcement is reducing alcohol consumption by minors. ABC agents meet across the state with permit holders to train their employees on state law and spotting fake identification cards. This training is critical in helping curb a young person's access to alcohol and beer. ABC enforcement has utilized a national grant to fund educational materials that agents distribute to high schools and universities warning our young people about the dangers of underage drinking.
- 5. Ensure Equitable Statewide Property Appraisal.** The Department of Revenue ensures consistent and equitable valuation of property subject to ad valorem tax among the municipalities and counties of the state. A component of this function is providing support and education to the counties and their employees. Additionally, the DOR provides the tax assessor uniform assessment schedules for motor vehicle and mobile homes; prepares assessments of public utilities, private rail cars, mobile homes, motor vehicles; authorizes industrial tax exemptions; and reimburses local taxing entities for losses related to property tax exemptions.
- 6. Administration of Motor Vehicle and Title Laws.** The DOR manages the statewide tag and title computer network. This network provides all registration information for every vehicle in the state. Access to this network is provided to each of the 82 counties and to law enforcement agencies.
