

The TY2020 Individual, Fiduciary, and Business Forms (Corporate and Pass-Through Entity) forms have been posted and are available on the Federation of Tax Administrators (FTA) State Exchange System. A Mississippi Letter of Intent (LOI) must be completed before access to the 2020 forms is granted. Please contact us via email at efile@dor.ms.gov, if you have any questions or need to request access to the Mississippi LOI.

Please submit each form with the following naming convention:

Form Series - Form Number (Your provider code)

- Your provider code is the 3 digits you place in the barcode of your forms.

Ex: If the PDF is the main form for our corporate series and your provider code is 100, the file would be named:

- 83-105(100).pdf

Please send all forms for review to ProviderForms@dor.ms.gov. Contact us via email, if you have any questions or have not been granted access to the files.
