Key to Data Fields for the Fiduciary Income Tax Return for 2010

Form number is 81-131

Page 1:

The top left corner of the barcode is located at position x=6, y=4 on the 10/6 grid.

The top right registration mark is located at the top right corner of grid box x=80, y=4.

The lower left corner of the scanband must be located on the left and bottom edge of grid space x=6, y=20.

**"MS" to the left of the header must begin in grid space 27/4 and end in grid space 28/4 and be in Courier 12 pt.**

The following is the labeling and the description of the items to be included in the Scanband of this form. The beginning data position is included in one of the templates for the form. The field length is included in this key for each data position. You should use this information to position the data on the returns. Do not use a grid overlay to determine the positions from a printed paper form. The field length specified assumes using a **Courier 12 font**, which is the required font. **In the Scanband, the name and address fields should be left justified. All other fields should be right justified. All fields in the scanband must be filled with the appropriate alpha or numeric characters, zero (0) being an appropriate character in some cases.**

The money fields and date fields in the scanband should not contain any commas, cents, decimals or other formatting information except for the negative signs (-) as a leading indicator for any negative amount. The amounts in the body of the return should contain commas. Example -123,456 in the body of the form would appear as -123456 in the scanband. Example - June 30, 1999 would appear as 063099.
