Celebrating Our State
from the Delta to the Coast and everywhere in between,
Mississippi is a Treasure to Us All.

Mississippi became the 20th state of the union in 1817 and flourishes to this day. Rich in history, industry and culture, our state has it all from the Mississippi River to the shores of the Gulf Coast, from the Delta and the Blues Trail to the City with Soul. The Department of Revenue celebrates our great state of Mississippi—a treasure to us all.

LETTER FROM THE COMMISSIONER

Dear Governor, Legislature and Residents of Mississippi,

We have so much to celebrate in Mississippi—our people, our industries, our small businesses and our hometowns. From the Delta to the Coast and everywhere in between, our great state of Mississippi is a treasure to us all.

With total revenue collections of \$10.9 billion for Fiscal Year 2024, the Mississippi Department of Revenue (MDOR) is proud to serve as the primary agency that collects various tax revenues to fund our state and local governments. During Fiscal Year 2024, MDOR accounted for 95.3 percent of the total collections for the State General Fund.

Year-over-year, our mission remains the same—collecting revenues based on legislation and administering the ad valorem, tax, local option and motor vehicle laws of Mississippi. Additionally, we serve as the regulators and law enforcement agency for alcohol and medical cannabis dispensaries, and as the state’s wholesaler for alcoholic beverages.

Integrity and fairness are important as we strive to instill confidence in government and to continuously improve our performance. To further enhance and improve our services this year, we created an electronic application form for charitable contributions and implemented a more efficient process for motor vehicle titles and liens for dealerships and financial institutions.

Thank you for your support as we continue to contribute our very best efforts toward our mission and the success of the state of Mississippi. It is my pleasure to present the annual report showcasing an overview and statistical data for MDOR for the fiscal year ending June 30, 2024.

Sincerely,

Chris Graham

Commissioner of Revenue

AGENCY MISSION & PROGRAMS

The Mississippi Department of Revenue has over **565** employees including **145** degreed accountants and more than **10** Certified Public Accountants. Agency employees work from eight locations around the state with a central office located in Clinton.

Our Mission

The fundamental mission of the Mississippi Department of Revenue (MDOR) is to be the mechanism through which the citizens of the state fund their public services such as police and fire protection, emergency services, publicly operated hospitals, road construction and maintenance, public schools and state universities and many more. These activities, including taxation, licensing and registration, and wholesaling of alcoholic beverages, account for over \$10 billion in revenue each year and serve as the primary vehicle for funding state and local services provided to the citizens of Mississippi.

Our Vision

The MDOR works to have each employee committed to accomplishing the mission with integrity; to instill public confidence in government; to continuously improve our performance; and to provide a positive and professional workplace for our taxpayers (customers) and each other.

Our Goals

Four goals connect our mission to our vision:

1. Improve voluntary compliance with all Mississippi tax laws, rules and regulations.
2. Make the MDOR the most innovative and efficient agency in the state.

Sales Tax Supports the General Fund, Education, Municipalities, and Special Funds

All sales of tangible personal property in the State of Mississippi are subject to the regular retail trade rate of sales tax (7%) unless law exempts the item or provides a reduced rate of tax for an item. The tax is based on gross proceeds of sales or gross income, depending on the type of business. Additionally, many services are subject to sales tax. Installation labor is taxable when connected to the sale of tangible personal property.

Each month, the DOR distributes and transfers the sales tax collected during the prior month to various Treasury Funds. The State General Fund receives the largest portion; however, Sales Tax is also an important revenue source for Municipal Governments and for Education in our state. Money transferred to the Motor Vehicle Ad Valorem Reduction Fund is used to reimburse the counties for the credit on motor vehicle license plates annually provided to each vehicle owner.

Transfer to Cities and Counties from Special Tax Collections

Most Special Taxes are imposed on the gross receipts of hotels, motels, restaurants and/or bars within certain cities or counties; however, the cities of Jackson and Tupelo impose a tax on retail sales and services subject to the general rate of state sales tax with certain exceptions. Revenues are dedicated to certain purposes as authorized by the enacting legislation and the tax rates vary by location. All special taxes are in addition to the regular Sales Tax. More information about these taxes can be found by visiting our website.

Celebrating Mississippi

A Treasure to Us All

The Mississippi Delta is the fertile plain that runs between the Mississippi and Yazoo Rivers. It is known for its agricultural productivity and where one of the most influential genres of music was born. Home of the Blues, the Delta, is indeed a state treasure and a major source of the nation's cotton, rice, soybeans, sugar cane and feed grains.

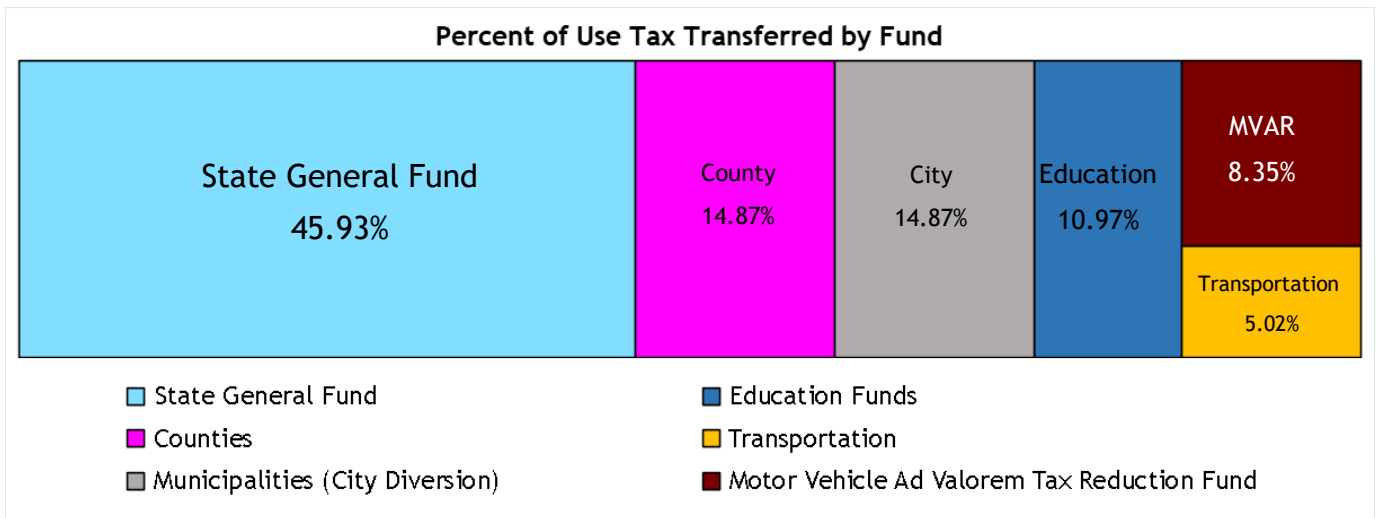

Use Tax Supports the General Fund, Education, Municipalities, and Special Funds

All purchases of tangible personal property and specified digital products purchased outside of Mississippi and used, stored or consumed in the state are subject to use tax. Use tax is due at the same rates as sales tax.

Each month, the DOR distributes and transfers the use tax collected during the prior month to various Treasury Funds with the exception of the municipal and county distribution. Highlighted in this section are the diversions to municipalities and counties pursuant to the Mississippi Infrastructure Modernization Act of 2018 which is diverted monthly to special funds for cities and counties. These special funds are then disbursed bi-annually in July and January of each fiscal year. The bi-annually disbursed funds are from use tax collections diverted to the funds and accumulated fund interest.

Celebrating Mississippi

A Treasure to Us All

The economy of our beautiful Gulf Coast area is dominated by industries related to energy, petrochemicals, fishing, aerospace, agriculture and tourism. From Bay Saint Louis to Pascagoula, Mississippi's Gulf Coast has many hidden gems for us to treasure.

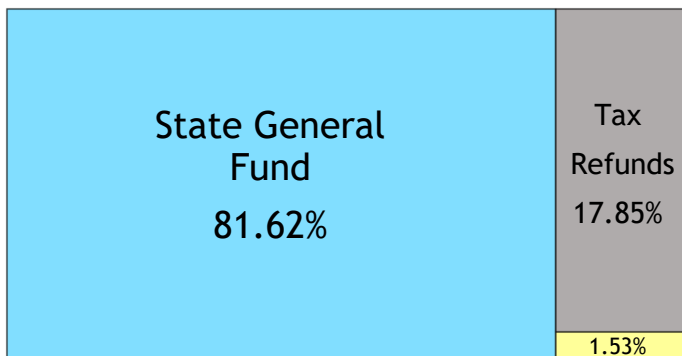

Income Taxes Support the State General Fund

Mississippi enacted the state’s first income tax in 1912. At that time, the tax rate was ½ of 1% imposed on all net income in excess of \$2,500. Over 100 years later, the laws have been amended numerous times providing exemptions, deductions, exclusions, inclusions and various filing status classifications. Income tax is imposed on the net taxable income of individuals, corporations, estates and trusts.

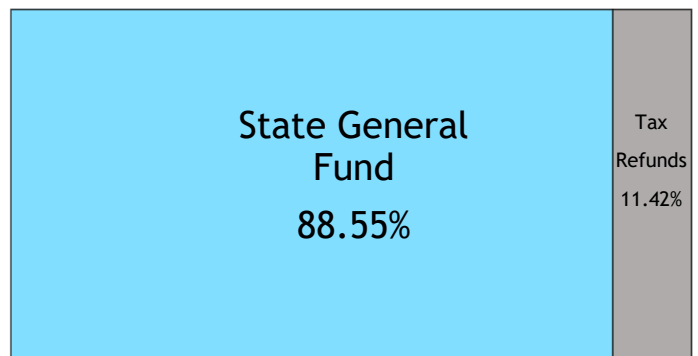

The chart below provides the amounts transferred to the State’s General Fund and which revenues are utilized by other agencies to provide services to the citizens of Mississippi, such as education and public safety.

Medical Cannabis

The Department of Revenue collects a five percent (5%) excise tax on medical cannabis cultivation facilities. The excise tax shall be based on the sales price for which a cannabis cultivation facility sells cannabis flower or trim to a medical cannabis establishment.

The Department is also responsible for licensing, inspection and oversight of medical cannabis dispensaries which includes collection of license fees.

Cannabis retail sales are in sales tax collections and follow respective sales tax law.

ABC Collections and Transfers

The Mississippi Alcoholic Beverage Control (ABC) was created for the purpose of enforcing the liquor laws and for the distribution of alcohol products in this state. Along with 17 other states, Mississippi is a control state meaning it exercises complete control over the wholesale distribution of alcoholic beverages. All legal alcohol entering Mississippi from manufacturers must be shipped directly to the ABC's Liquor Distribution Center from which ABC sells the products to licensed retailers for ultimate sale to the public.

An alcoholic beverage is either a distilled spirit or a wine product that contains more than 6% alcohol by weight. Beer and light wine products are not included and are not distributed by the ABC. The excise tax on sparkling wine and champagne is \$1.00 per gallon, other wines are .35 cents per gallon, and distilled spirits are \$2.50 per gallon. Additionally, all alcoholic beverage products are subject to an additional 27½% markup on the wholesale purchase of alcoholic beverages. A permit is required to sell alcohol in this state.

The below collections result from the operations of the Liquor Distribution Center and the licensing of retail businesses.

In addition to wet counties and municipalities, there are also a number of wet areas within certain Dry counties. A listing of those wet areas can be found below the Map.

To select which map to view, please select either **Alcoholic Beverages Wet/Dry Map** or **Beer Wet/Dry Map** at the bottom of the map.

Wet/Dry Map for ABC Permits and Beer Permits

The map displays the state of Mississippi with various areas shaded in green and red. A legend on the right side of the map is titled "Wet/Dry -- Alcoholic Beverage" and includes two sections: "Wet Cities in Dry Counties" with a green square icon, and "Wet and Dry Counties" with a green square for "Wet" and a red square for "Dry". At the bottom of the map interface, there are four buttons: "Medical Cannabis Opt Out", "Medical Cannabis Dispensaries", "Beer Wet/Dry Map", and "Alcoholic Beverages Wet/Dry Map". This schedule is based on month of collection.

Section 27-5-101 sets forth the distribution of the taxes to the counties from gasoline and special fuels. The counties share is derived from the “base” rate of tax. For gasoline, the base tax is the first 7 cents per gallon, and for un-dyed diesel, the base rate is the first 10 cents per gallon. After specified transfers are made from the base tax collections, 5/14ths of the remainder is distributed to the counties. The law provides that a portion of the counties share is shared with the municipalities within that county.

The following is the distribution of 5/14ths between the counties:

1. Pay each county \$190,000 annually. The municipalities share is paid from the \$190,000 and is paid from the municipal aid fund.
2. Annually, the remainder is divided according to the following formula (This split is listed as “surplus” in the above chart):
 - 1/3 share split evenly among all the counties;
 - 1/3 share split based upon the population of each county;
 - 1/3 share split based on the square miles of each county.

The 9/14ths share provides a monthly transfer of \$83,333.33 to the Municipal Aid Fund; 50% of the tax on gasoline collected in the three coastal counties is returned to those counties for Road Protection; amounts specified to retire the bond sinking funds; and the remainder for the benefit of the State Highway Fund.

The additional tax is **11 cents** a gallon on gas and **8 cents a gallon** on diesel. The amount of tax collections from the first 2 cents per gallon of the additional tax is used exclusively for the construction, reconstruction and maintenance of highways or the payment of interest and principal on bonds. Of the remaining additional tax:

- 23 1/4% is for the State Aid Road Fund
- The remainder to the State Highway Fund

Quantities and Taxes Collected by Fuel Type

All motor fuels including gasoline, diesel, kerosene, fuel oil, compressed gas, natural gas and lubricating oil are subject to Petroleum Excise Taxes. These taxes are collected from petroleum product distributors, interstate motor carriers, and persons using petroleum products.

The Gross Gallons, Exempt Sales, 2% Allowance, Net Taxable Gallons, Government Exemptions, and Tax Due (Total Tax) reflect the return totals for the return period. Collections reflect the total collected during the fiscal year.

IFTA Clearinghouse payments	\$10,128,882

* Excess MS Excise Tax is used to make IFTA Clearinghouse payments.

IFTA is a compact between the 48 contiguous States, the IRS, the 10 Canadian provinces, and the federal government of Canada.

A motor carrier licensed under IFTA reports to its home state all miles traveled in all jurisdictions, total fuel consumed, and the total fuel purchased. IFTA apportions tax collections among the states based on miles traveled and the fuel used by carriers within each state according to each state's tax rates.

The DOR collects the taxes from Mississippi based licensees on behalf of all member jurisdictions and makes a payment to IFTA for taxes collected for those jurisdictions. Likewise, the DOR receives payments from other states who collect Mississippi taxes from their licensees.

Mississippi is a payout state. That means carriers purchase more fuel in the State than they consume and why the amount "collected" is a negative. The offset to the payout is the amounts collected in the other fuel categories: Automotive, Special Fuels, Compressed Gas, and Natural Gas, Compressed Gas & Locomotive Fuels.

Motor Vehicle Privilege Tax processing operates on a three month cycle: registration month, collection month and diversion month. This section reports values for the collection month in the fiscal year and registration statistics for the respective months beginning in June preceding the fiscal year.
